Minutes

Welcome

A member welcomed the group and reviewed the agenda. Announced that there were new members added to the work group. Also announced that S Harris will be stepping away from this work group due to a transition on the project management side. D Cohen will be taking over this role.

"Grey Boxes" List review

Co-Chair explained the purpose of reviewing the "Grey Boxes" list and which group is working on this list. Member that sits on the Campus Planning-Partnerships group reviewed what their process has been and their goal with updating the RFI. The current "Grey Boxes" list is a combination of the previous RFI and current suggestions for updated language or additional line items. Co-Chair asked for feedback from the group that can be taken back to the Campus Planning-Partnership Work Group. The group discussed potential gaps and barriers. They provided some suggestions for bridging those gaps and improving the RFI. The group discussed specific support or services that will be the most helpful for peers and reduce recidivism for individuals.

Charter

Co-Chair reviewed the charter with the group. The group discussed updates.

Survey ideas

Co-Chair reviewed current ideas around how to obtain feedback from appropriate groups and individuals, which is listed as number 4 on the Charter. Suggested utilizing specific groups, like Mental Health America, who have a large group of peers. A member requested how communities of color are being included and would like to see an increase in diversity. The groups provided suggestions for how to move forward with this request.
