Minutes

Welcome and quick introductions

Group was welcomed and agenda reviewed. Brief introductions were done for new members.

Workgroup Goals

Co-chairs reviewed goals and focus of the group. Provided clarification that the group will focus on the entire catchment area.

Discussion on Process for Meeting Goals

Co-chairs presented proposed process for meeting the goals of the group. Reminded the group that all recommendations should be person-centered and should be for a pilot or statutory change. Discussed how statutory recommendations would need to move forward through different channels than a potential pilot program.

Review timeline for Process

Group reviewed timeline for meetings. There will be a break during winter months.

Presentation on Phase II CR workgroup and Travis CR workgroup

Shared stakeholders in the Travis County CR workgroup and recommendations. Provided context around recommendations including potential ethical and legal issues that may arise from them. Discussed lack of utilization of specific 46B code that allows for outpatient restoration after clinical stabilization has been reached. Group received brief overview of the ASH Redesign Phase II CR workgroup. Reviewed survey results from phase II workgroup. Group discussed recommendation for guardian funding and expressed concern over guardianship.

Close

Reviewed when next meeting will be and expected agenda.
